

CAREER OBJECTIVE

Motivated AI & Data Science student (CGPA 8.4) with strong knowledge of Python, Java, C/C++, HTML, CSS, JavaScript, and React.js. Experienced through internships in Python Development and Data Science. Passionate about building innovative real-world solutions and continuously growing as a skilled technology professional.

EDUCATION

B.Tech — Artificial Intelligence & Data Science (2025 – 2029)

Prince Dr. K. Vasudevan College of Engineering and Technology, Chennai | CGPA: 8.4

Higher Secondary Certificate (HSC) (Completed 2025)

Tamil Nadu State Board | 90.1%

Secondary School Leaving Certificate (SSLC) (Completed 2023)

Tamil Nadu State Board | 93.2%

TECHNICAL SKILLS

Programming Languages: Python · Java · JavaScript · HTML5 · CSS3 · C / C++

Frameworks / Libraries: React.js

Professional Skills: Communication · Problem Solving · Teamwork · Adaptability · Continuous Learning

Languages Known: English · Tamil · Hindi

PROJECTS

College Website [HTML · CSS · JavaScript]

Developed a responsive and user-friendly college website providing information about departments, courses, facilities, and academic activities with an interactive interface.

Library Management Website [HTML · CSS · JavaScript]

Designed and developed a library management website for organising and managing book records with a simple and responsive interface.

Password Strength Checker [Python]

Built a password strength checker that evaluates passwords based on length, uppercase/lowercase letters, numbers, and special characters to encourage secure password creation.

Movie Ticket Management System [Java (OOP)]

Developed a movie ticket management system using object-oriented programming concepts including classes, constructors, methods, and arrays of objects.

INTERNSHIP EXPERIENCE

CodeAlpha — Python Development Intern (Remote)

Worked on Python development tasks, building and enhancing real-world applications. Gained hands-on experience in Python programming and collaborative development practices.

Thiranex — Data Science Intern (Remote)

Applied data science techniques to analyse datasets and derive insights. Worked with data processing tools and contributed to data-driven project deliverables.

CERTIFICATIONS

- **Microsoft** — Applied Skills: Secure Storage for Azure Files and Azure Blob Storage
- **freeCodeCamp** — Responsive Web Design Developer Certification
- **freeCodeCamp** — Legacy Responsive Web Design V8 Developer Certification
- **Scaler Topics** — Java Course — Mastering the Fundamentals

- **Infosys Springboard** — Java Programming Fundamentals
- **Scaler** — JavaScript Course: Unlocking the Power of JavaScript
- **Infosys Springboard** — Basics of Python
- **TCS iON** — Communication Skills
- **Anthropic** — Claude Code Learning Path (13 Courses)
